YOU**

## THE COMPANY

Hobson & Porter is a family business which has been established since 1971 and employs 120 staff. Our head office is in Hull and we carry out works predominantly within the Yorkshire and Lincolnshire region.

We have a diverse range of clients covering the following sectors:

Commercial | Education | Energy | Healthcare | Higher and Further Education  
Housing | Industrial | Leisure | Listed Buildings | Public | Regeneration | Retail

We believe in a true partnering approach, working with our customers, consultants and supply chain partners to deliver quality projects on time and on budget.

***We are an Equal Opportunities Employer***

## THE ROLE

As the Quantity Surveyor, you will be responsible for working with the Project team to deliver profitable projects within agreed timescales.

This role will report to the Managing Quantity Surveyor and will carry out the following:

- Working within a team to successfully deliver projects ranging from £1-£10 million within a variety of sectors
- Responsibility for all commercial aspects of a project including:
  - Valuation of works, manage subcontract accounts and payments
  - CVRs
  - Preparation and negotiation of final accounts, cost reporting, value engineering
  - Assisting the procurement department in producing robust subcontract orders
  - Preparation of quantities for the Preconstruction department
  - Promote commercial awareness throughout the Project team

Your role will work in close partnership with key stakeholders within the Estimating, Commercial and Construction departments to ensure projects are completed within budgets, timescales and ensuring excellent customer satisfaction.

## WHAT WILL I NEED TO BE SUCCESSFUL IN THE QUANTITY SURVEYING ROLE

- Construction related qualification, preferably BSc (Hons) Degree or similar
- Strong technical skills
- Good contractual awareness, particularly in JCT and NEC forms of contract
- Excellent IT skills across core Microsoft suites and communication skills
- CSCS Card
- Full Driving Licence

## EMPLOYMENT PACKAGE

Join us and you can expect to enjoy great career prospects and a very competitive pay and benefits package. In addition to an attractive salary we offer:

- Auto Enrolment pension scheme
- Car Allowance
- Private Health Scheme
